FEEL

What do I hope they feel?

Consider how you hope the Spirit will influence their hearts as they learn and discuss.

EXAMPLES

DO

What could I invite them to do?

Think about a meaningful next step they could take to apply what they are learning.

EXAMPLES

- Practice a gospel habit
- Reach out to someone
- Prepare to teach or share

CHRIST

How can I teach this as the Savior would?

Consider both what the Savior teaches and how He teaches. Look to His example in the scriptures and seek to follow His methods.

EXAMPLES

- Teach with love, compassion, and patience
- Invite participation and personal discovery
- Respond to the needs of those I teach
- Keep Jesus Christ at the center of the lesson

Use these four questions to prepare with purpose and teach as the **Savior would.**

Think about the specific people you've been called to teach.
